

Re-registration for the winter semester

Re-registration period for the winter semester 2019/20:
from June 10 until July 05, 2019

The semester fees for the winter semester 2019 are € 113,50. The amount increases if you have to pay fees for long term studies or a second degree.

Re-registration will only be carried out if the full amount was paid until July, 05! In case of late re-registration you must pay an additional amount of € 10,30. If you intend to apply for Master studies at OVGU (being an OVGU Bachelor graduate) you have, nevertheless, to pay the complete semester fees within the re-registration period. Doctoral students please keep in mind that you have to deliver the confirmation of continuing work on the dissertation given by your supervisor.

Please re-register by SEPA direct debit online via myOVGU. You will then be re-registered *immediately* and are free to use the functions of the students' portal (print of confirmations etc.). Information on SEPA direct debit is available on the students' portal.

With the changeover to the student's portal myOVGU the payment of the re-registration and other fees changes with the beginning of the re-registration period for the summer semester 2019. OVGU changes to single SEPA direct debt mandates for student transactions. This means that you have to authorise the OVGU every semester again to collect payments and fees. The old SEPA mandate is no longer valid.

In exceptional cases re-registration is still possible by bank transfer. Please find the necessary bank coordinates under: <http://www.ovgu.de/-p-9577>. (Please consider processing time at the bank).
